Kołobrzeg

is a city in the West Pomeranian Voivodeship in north-western Poland with some 47,000 inhabitants. Kołobrzeg is located on the Parsęta River on the south coast of the Baltic Sea, and today is a popular tourist destination.

A scenic view of a beach with golden sand, blue water, and a clear blue sky. The text is overlaid on the image in a bold, black, serif font.

**Microclimate, saline water
springs, a beach with golden
sand, a high amount of sunshine,
aerosol filling the air in the
vicinity of the seashore – all this
made Kołobrzeg the most superb
spa town on the Baltic.**

Near Kołobrzeg is a small Town
Gościno, there is localted our
School.
